

# National Day of Women Living with HIV

## *High Tea*

Positive Life NSW invites you to celebrate and honour the lives of women living with HIV at the 11<sup>th</sup> National Day of Women Living with HIV.

Please join other women living with HIV, friends, and our supporters for a delicious high tea event in a mixed social environment. We will hear from a range of speakers including women living with HIV themselves as well as clinicians and social workers supporting women living with HIV, in celebration of the national theme “Her Story: Unique, United”

Immediately following the high tea, we will be hosting a Bring and Swap clothing exchange event.
